REPUBLICANS PASS WAR DEPT. MEASURE

Upset Democratic Leadership To Put \$348,895,000 Bill Through House WASHINGTON, Jan. 24 (AP)—Republicans upset the Democratic leadership in the House today and pushed to passage a bill allowing \$348,895,000 for the war department next year.

There were two roll call votes forced by Democrats in an effort to keep out the measure \$2,500,000 for citizens military training camps and \$75,000 more for the budget asked for organized reserves. But the effort was futile, for Republicans, joined by Democrats, among them the Tammany delegation from New York, obtained approval of both amendments.

The final vote on the reserves increase was 207 to 156, after Speaker Garner, on a standing ballot, counted 134 against the change and 127 for it. The C. M. T. C. allowance went in by a vote of 202 to 158.

DEMAND PARING OF LOWELL BUDGET (Special Dispatch to The Herald) LOWELL, Jan. 24—Representatives of the Taxpayers Association, Lowell branch of the National Economy League and the chamber of commerce went before the city council tonight at a 1933 budget hearings and urged the adoption of a budget based on the city's ability to pay. The council was also asked to exercise its charter-given right to reduce the budget below the figure set by the mayor and to appropriate the total recommended by the city finance commission. The commission budget is \$1,070,000 for the mayor's. The council adjourned for a week without taking action.

AT THE FIRST SNEEZE USE THE MISTOL 2-WAY TREATMENT

NEW QUICK RELIEF FOR COLDS The quickest way to break a cold is to start fighting it at once. With some people the warning sign is sneezing, with others it is a sore throat, and still others just feel depressed with a congested feeling in the head and throat. Whatever the sign, Mistol now offers you the 2-way treatment that will help you break these colds before more serious conditions result.

Drop Mistol in Your Nose Night and Morning The first step in the Mistol 2-way treatment is to put a few drops of Mistol in your nose when you get up in the morning and before you go to bed at night, and if convenient, during the day. See how quickly the burning, tickling sensation disappears. The inflamed membranes respond at once to the healing oils in Mistol, and you can breathe freely. The handy dropper makes Mistol easy to use.

Put New Essence of Mistol on Your Handkerchief and Pillow The second step is to use the new Essence of Mistol. Put a few drops on your handkerchief and breathe in its healing vapors all day long. At night put a few drops on your pillow and you will get the needed relief for restless sleep. Essence of Mistol contains the same healing ingredients as Mistol but in a form that enables you to obtain its full benefit while you work and while you sleep.
