A TREATMENT FOR NERVES

Woman Tells How Lydia E. Pinkham's Vegetable Compound Helped Her.

West Danby, N. Y. — "I have had nervous trouble all my life until I took Lydia E. Pinkham's Vegetable Compound for nerves and for female troubles and it straightened me out in good shape. I work nearly all the time, as we live on a farm and I have four girls. I do all my sewing and other work with their help, so it shows that I stand it real well. I took the Compound when my ten year old daughter came and it helped me a lot. I keep it in the house all the time and recommend it." — Mrs. DEWITT SINCLAIR, West Danby, N. Y.

Sleeplessness, nervousness, irritability, backache, headaches, dragging sensations, all point to female derangements which may be overcome by Lydia E. Pinkham's Vegetable Compound. This famous remedy, the medicinal ingredients of which are derived from choice roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

What to Do When Backache Comes On

"Foley Kidney Pills have done me more good than \$100.00 worth of other medicine." — Clara, N. York, Hiram, N. Y.

"When backache comes on and it seizes me as if you can't stand the pain and pressure across the small of your back, hurry to your drugget and get relief through a box of Foley Kidney Pills. They will stop the cause of that pain very quickly, stop the dangerous kidneys to regular action, enable them to throw the poisons out of the blood. They will get rid of pain and rheumatism for you, quiet your nerves, stop your backache, and limber up your aching joints and sore muscles."

Frank W. Sherman, LAUREL, N. Y., writes: "I suffered with kidney trouble, had a tired feeling in my back, did not have any appetite. My back did not hurt, but I used Foley Kidney Pills and got a new lease on my feet, better, and now I have entirely recovered."
