Services planned Monday for Harry L. Marshall, 78

A memorial service will be held Monday for Harry L. Marshall, who died Wednesday at his Bellevue home after an extended illness. He was 78.

Mr. Marshall, who graduated from the University of Washington with a civil-engineering degree in 1926, for 40 years was president of Marshall, Barr and Pacquer, a firm specializing in terminal grain elevators, port facilities and manufacturing plants. He retired from the firm in 1976.

Mr. Marshall served in the Navy in World War II and was a commander in the naval reserve. He organized the first naval-reserve officer-training program at the U.W. and was chairman of the building committee for the state Veterans of Foreign Wars memorial building in Seattle.

Mr. Marshall was a member of V.F.W., the Kirkland-Bellevue Elks, the Washington Athletic Club, the Seattle Yacht Club and the Retired Officers Association.

He is survived by his wife, Doris, of Bellevue; a son, Dr. Jay R. Marshall, of Marina Del Rey, Calif., and a stepdaughter, Sandra Lawson, of Mount Vernon.

The memorial service will begin at 1 p.m. Monday at Green Funeral Home of Bellevue. There will cremation. Rememberances are suggested to the Virginia Mason Cancer Research Clinic.

Search for raft rider is suspended

The Pierce County Sheriff's Office has suspended its unsuccessful two-day search for a 21-year-old Puyallup man believed to have drowned Wednesday when his rubber raft overturned at the junction of the Mashell and Nisqually Rivers, west of La Grande.

Missing is David Swindler, reportedly home on holiday leave from Air Force basic training. He was rafting in the river with his brother, Steve, when they were dumped into the water about 10:15 a.m.

A spokesman in the sheriff's office said someone on shore was able to pull Steve from the river, but there were no signs of David. Neither of the men was wearing a lifejacket, the spokesman said.

Officers searched the water and banks of the area from jet boats for several hours Wednesday and yesterday. Searches were suspended at dusk.
