

The Little Knights and Ladies Club

Our Motto: Kindness Our Armor,
Courtesy Our Shield

King Joy is very pleased to have received a chapter report from the Happy Band of Joy and Sunshine Chapter, Castle of Tyler. There is nothing that makes King Joy happier than to know that members are organizing club chapters in the various castles. He hopes that these reports will continue to come in each day so that he will soon have a complete list for the chapter directory.

Lady Dorothy Imogene Richards, Castle of Ferris, wishes to be put on the club "sick list" so that she may receive a card shower from the members of the club. Cinderella hopes that a great many members will write to Dorothy.

Cinderella was delighted to receive another picture for the Royal Portrait Gallery. It is a stamp picture of Lady Pauline Miller, Castle of Sulphur, Ok. Cinderella sends many thanks for the picture.

Here are some good letters, after which you will find the names of two Ladies who raised their rank, and also the names of forty-four new members who joined the club Wednesday.

302 Bethel Street, Waxahachie, Texas, June 15.—Dear Cinderella: I am sending in my application to become a member of the Little Knights and Ladies' Club. I guess I am rather young to join, but I have a brother and sister in this club and I want to join also.

I haven't lived in Waxahachie very long, but I surely like here. I enjoy going to the park, as it is the most delightful place to play. They have most all kinds of swings and lots of squirrels out there. I hope Mr. Wastebasket doesn't get this letter, as I would like to see it in print. Hoping to receive my card and pin soon. With love, J. W. CARROLL

Allen, Texas, June 15.—Dear Cinderella: How are you? Fine, I hope. I have not been doing a thing since school turned out. I was promoted to the fifth. I had a straight "A" card. There were but two in our room that had straight "A" cards. My little brother was promoted to the third. I wish you would please send me a picture of yourself. I wish you would please tell some Little Knights and Ladies to write me. Tell them I will answer every letter they send. I have written three letters and none of them have been printed. Also sent in ten membership blanks for my rank to be raised. With love,
