

Seibert Duwamish Old Ossie Champ

By RON FRANK
Ken Seibert wants somebody to turn his schoolboy Safety Patrol badge in for a policeman's uniform.
The Old Ossie winner at Duwamish Elementary School, yesterday explained his desire for police work: "By the time I grow up, Washington will be so large that they'll need more policemen."
In the meantime, the son of Mr. and Mrs. S. S. Seibert, 11807 40th Ave. S., is concentrating on football. It paid off with a new football and Times award pin for a 17-point effort against the automatic referee.
Shane Van Winkle was second, with eight points.

RANDY IN 'Comeback'
To replace the "kinda worn-out" Old Ossie football he won two years ago, Showwater Junior High School's Randy Kreutzer put his best foot forward.
The eighth-grader totaled 35 points in regaining the title he won in 1965.
"I only scored 19 points in winning two years ago," Randy recalled. "I've been plackicking during football practice, and that helped me."
Last year, Randy was second with 21 points. His parents are Mr. and Mrs. Ted Kreutzer, 15206 42nd Ave. S.

Hamilton Titlist Turns Weakness Into Strength

By WALT PARETTI
"I wasn't even going to enter because I can't kick a football very well," said Dave Riel, following his Old Ossie victory yesterday.
It was his kicking — one solitary punt — that broke up a "dead heat" for first between Dave, Doug Wille and Amiel Loiseau. They had been tied with 24 points apiece in the Hamilton Junior High School contest until the champion added his 25th point. Another head behind was Ron Bolton, who scored 23 points.
Dave is the second Times-Park Board winner in his family. Dale, 15, who now attends Lincoln High, won the Old Woodsy baseball-pitching title at Hamilton in 1966. They are the sons of Mr. and

Dave, 12, said art and spelling are his favorite school subjects. Last semester, the seventh-grader said his pencil drawing of Shakespeare was hung on the board at school.
The 5-foot-8-inch, 130-pounder played center on the Wallingford Boys Club basketball team last winter.

Rae Follows Williams To Pittsburgh Pipers
PITTSBURGH — (UPI) — The Pittsburgh Pipers of the American Basketball Association have signed Don Rae, a 6-foot-6 forward who was cut from the Seattle SuperSonics of the National Basketball Association. He played in Amateur Athletic Association games in Seattle last season.
Rae averaged 20 points a game during his three varsity years of college ball at Montana State University. The Pipers earlier signed Charlie Williams, who attended the Sonics' rookie camp with Rae but was later declared ineligible to play in the N. B. A.

Delridge Latecomer Fires Winning Barrage

By PETE LAMB
Rick Brown almost missed out on Old Ossie's visit to Delridge Playfield yesterday. Rick, 11, finished his duties on the School Patrol and rushed over to the field in time to "red light" his competition with a 24-point barrage.
Despite his football skill, Rick's main interest lies elsewhere. The Cooper Elementary School sixth-grader is usually on the receiving end as a baseball catcher. Rick played on the Westside Ford Little League team, batting in 21 runs.
The champion's parents are Mr. and Mrs. Fred Schilling, 2211 S. W. Myrtle St.
Last summer, Rick went on several fishing expeditions with his grandparents, Mr. and Mrs. Joseph Douglas. One of these included an ocean outing.
"I really like salmon fishing, but I can only stay out a little while before I'm seasick," Rick said. His "whop-

per" to date is a 13-pound silver.
Allen Bartels was second, with 12 points, and Tom Smlanich third with 8.
Greg Englehardt, Harold Markham, Eddie Schneider, Tim Sweeney, Joe Rosevare, Edward Joseph, Larry Collins, John Rieber, Joe Cain, Larry Lee, Eugene Olson, Eugene Smith, Eugene Hall, Roger Bartels, Mike Reece, Wayne Reece, Richard Nansen.
VICTORY ROAD — A future automobile mechanic relied on a "souped up" passing arm to put him in victory lane against Old Ossie.
Mike Davis hit on all 12 of his passes en route to a 27-point total in The Times-Park Board contest at Sunnycrest Elementary School. The sixth-grader, who builds model cars as a hobby, plans to work on the real thing when he is older. His favorite cars are Stingrays, Barracudas and G. T. O's.
Mike, son of Mr. and Mrs. Toland Davis, 3612 S. 243rd St., took home a new football and Times award pin.

Nobody else makes a bottle like this.
(But then, nobody else makes a beer like this, either.)

The bottle was easy. The beer took a little more time. In fact, it still does. Extra hours. Extra days. That's because Heidelberg is one of the few beers in the U.S. still brewed by a longer, slower, more costly process especially created to let the good, fresh, clear taste of the beer come through naturally. The way it should. Slow Brewed to be naturally light.

Smooth and Distinctive. That's why we put Heidelberg in new keg bottles. To let you know it's not just another beer; to let you know we Slow Brew it to be the lightest beer in the West.

Is it? Is Heidelberg that light? That different from other beer? Let's face it, there's only one way in the world you're ever going to find out.

Also available in deposit stubby bottles and cans.
