

ONLY THREE CANDIDATES IN SCHOOL BOARD RACE

Monday, April 27, All Aspirants Must Have Certificates Filed.

Noon, Monday, April 27, will be the last opportunity given school trustee aspirants to file their candidacy certificates. These certificates must be filed at the office of the board at Central High school and will not be accepted after 12 o'clock.

At the present time there are but three avowed candidates for the three vacancies. Adams B. Vera desires to be re-elected and he is the only member of the present board who wants another term. Dr. Clay Johnson is being petitioned by his friends and Dr. Johnson admits that he probably will be a candidate. He says that he does not desire to enter into any sort of a political race that might precipitate a controversy and will accept the candidacy only upon the assurance that he will not have to put up a campaign to obtain the nomination.

S. D. Shannon is an avowed candidate. He is being supported by the people of the north side and it is hardly likely he will have any opposition.

Dr. Clay Johnson, physician, has been petitioned to become a candidate for school trustee in the following petition:

We, the undersigned citizens and voters of the city of Fort Worth, having at heart the interest of the schools, and realizing your fitness for the place, respectfully and earnestly petition you to submit your name as a candidate for school trustee, Place No. 6, at the ensuing school board election, and pledge to you not only our votes but our influence as well:
