BUSINESS GIRLS CLUBS PLAN MUSICAL Two recently organized clubs for business girls, Left-A-Right and the S. S. S. are planning a musical which will be presented next Friday evening in the lobby of the Y. M. C. A. Many interesting features are being arranged for the entertainment of the audience, among others being a surprise "stunt" by members of each club, the nature of which is to be kept a secret. There will be singing, dancing, and quartet selections will be included in the program, which will start promptly at 8 o'clock. No admission will be charged, but a silver offering will be taken for the benefit of the club work. The members are planning to send a delegate to the club council of the South Atlantic states which convenes in the near future. This entertainment will be the first of the kind attempted by the clubs, and it is hoped the friends of the members, by their attendance, encourage the girls to plan other activities of equal or wider scope. Tampa during the past five years, started for their Michigan home by motor yesterday. Their literary embraces the east coast route to Washington, Baltimore, Pittsburg, Cleveland, Toledo and Detroit. On the eve of their departure Mr. Northrup said: "We are looking ahead to a delightful trip and plan to make the 1,600 miles in easy stages covering a period of about three weeks. Upon arriving in Jackson, if I guess correct, the wife will say, 'Let's turn around and go back to Tampa.' That just about expresses our love for our wonderful city and climate. We no more than arrive home, each spring, than we feel 'homesick' for winter again, when we return to our Tampa residence."
