In many counties of the State, where the population is small, the offices of Sheriff and Tax Collector are combined, for which reasons the conventions are held at the same time and place. City Marshals are also eligible to membership in the Sheriffs' Association, which will further swell the number to attend the convention.

It is estimated that about 2,000 delegates and visitors to the convention will be in the city, and elaborate preparations will be made for their entertainment during the three days of their stay.

R. M. Davis, Tax Collector of Tarrant County, chairman of the program committee of the Tax Collectors' Association, has issued a call for a meeting of that committee to be held in his office July 6. The committee in addition to Mr. Davis is composed of J. L. English, Greenville; J. W. Birdwell, Palo Pinto, and Arthur W. Tabor, Cameron. Mr. Davis, who is also chairman of the transportation committee, has called a meeting of that committee for the same time and place; this committee has as its members besides Mr. Davis, W. H. Jones, Dallas, and J. A. Dixon of Weatherford.
